Hey Charles,

We're no backstabbers here, but did you know that acupuncture for pets has been on the rise, and can actually work?

Join Cat Coach Beckie this **Wednesday, June 24th, at 11am PDT** for a free mini [webinar](#) on cat acupuncture.

And if you've ever wondered where pet food comes from, how environmentally friendly the process is, and what are some alternative protein options (read: cultured meat), then don't miss Dr. Chris Menges' [webinar](#) on **Friday, June 26th at 11am PDT!**

SHOW US YOUR KITTENS!

We're creating a kitten wall of fame on our homepage, and want to feature your #basepawskitten. Send us ONE high-quality kitten photo to basepaws@submit.media by July 2nd, 2020, and check our **homepage** on National Kitten Day on July 10th to see if you made it to the wall of fame!
